IT.6
series

impossibly thin.

Digital Cordless Phone

World's thinnest home cordless phone measuring less than 6mm at its narrowest point, the handset is made using a real metal frame, ensuring its robustness and a seamless striking form. The crystal base adds to its uniqueness and elegance, from every angle. Every detail has been carefully crafted to give an exquisite user experience. Creative engineering inspired the precision crafting and use of innovative materials that are applied on the Motorola IT.6 - the impossibly thin phone! It also boasts a 2.2" TFT colour display, with mobile connectivity using Bluetooth Wireless Technology, meaning your mobile calls and contacts are always in sync.

- Large 2.2" diagonal 65k full colour display
- 1000 name and number phonebook
- High quality audio
- 10 studio crafted ringtones
- Hands-free speakerphone
- Laser etched backlit keypad
- Block unwanted callers*
- ECO PLUS mode
- Caller ID / VIP caller ID / Call Waiting*
